And that, save as aforesaid, nothing in these presents shall be interpreted so as to restrict or prevent the Grantor from using the statutory right of way in any manner which does not interfere with the security or efficient functioning of or unobstructed access to the said works:

And that all expenses incurred in the installation of the said works, the maintenance, replacement and repairs thereto and the performing of any and all covenants herein agreed to be performed by the Grantee shall be borne and paid for by the Grantee.
